

## CAPABILITIES STATEMENT

Red Rose Transportation Inc. is a Woman-Owned 3PL Company who specializes in freight management solutions that decrease customer inefficiencies. Servicing one of the top leaders in the liquor industry for more than three decades highlights our ability to create value to our customers and demonstrates our success in maintaining long term relationships. By aligning our goals with our customers, being current on the rules and regulations required to haul liquor state to state, a detailed screening of all carriers we partner with and our openness to continued quality improvement to better service our customers are what we feel sets us apart from the rest.
